Dear Sirs,

We are following with dismay the unjust attack by enemy forces that is bringing destruction and suffering to your country and its people. With this letter we want to express our sympathy and deep solidarity, which we offer to you and all those affected from the bottom of our hearts. Our thoughts are with the struggle of the Ukrainian people in these days.

Motorsport stands for cosmopolitanism, tolerance and peaceful coexistence. And it also stands for solidarity. Therefore, we want to ask today if and how we can support the Ukrainian Federation. We cannot imagine what your situation is like at the moment and what kind of help is needed. Therefore, please let us know at any time if there is any help we can give to your federation or Ukrainian motorsport athletes. We would be glad to contribute in this way to overcome this difficult time.

With kind regards,

Wolfgang Wagner-Sachs  
President
